

Information for St Mary's College - a Catholic day school for Boys

Address: 286 Margaret Street, Toowoomba

Total enrolments: 634

Year levels offered: 5 - 12

Distinctive curriculum offerings:

St Mary's College offers a broad curriculum which can be tailored to meeting the needs of each boy's education so they can successfully take their place in a modern society. The senior school curriculum offers a wide range of subjects that allow for students on completion of Year 12 to continue study at university or to continue vocational studies.

Our teaching is based on the continual search for quality content for the teaching of boys. By continually improving our methods and procedure, we are seeking the best possible outcomes for boys. These outcomes can be seen in the decent men we have been privileged to teach.

Extra - curricular activities:

Along with excellent facilities we have outstanding opportunities for extra-curricular activity such as sport, music, drama and community service. We also have membership of the "Success for Boys Programme" and this aids us to ensure we have the best outcomes for a curriculum specifically designed for boys.
