

CONCERT BAND - WORKSOP AND CONCERT WITH ST URSULA'S COLLEGE

Dear Parents and Students

On Tuesday the 15th August St Mary's College will be involved in an exciting musical opportunity with St Ursula's College.

The Concert Bands from both Colleges will be combining to participate in a workshop of new and interesting repertoire, followed by a concert. Students will have afternoon tea provided.

It is most important that all band members participate in this workshop opportunity – performing without complete groups is detrimental to achieving the best result.
